

Upperco Volunteer Fire Company

5500 Fringer Road PO Box 7 Upperco, MD 21155
(410)-887-1576 YuletideVillage@Uppercovfc.org

The Upperco Volunteer Fire Company is planning the 5th annual Upperco Yuletide Village Holiday light display and Train Garden. Our event hosts thousands of visitors each year. The event includes a drive through holiday light display and an indoor train garden. Yuletide Village will be open every Friday through Sunday evening from November 24th thru December 23rd and additionally December 26th through December 30th 2023. All proceeds from the event support the Upperco Volunteer Fire Company and are tax deductible.

We are seeking sponsorships from local businesses and families for our event. Our indoor display includes decorated artificial wreaths, trees, and holiday centerpieces. The sponsored decoration will be identified. Do you want to see your name in lights? Consider sponsoring an outdoor light display. To select an existing display or new personalized light display email YuletideVillage@uppercovfc.org to see your name in lights in our outdoor display. In addition to your name in lights, your name will be included in the scavenger hunt, to ensure the public will be looking for you or the company's name.

Please return this form and payment to:

Upperco Volunteer Fire Company

PO Box 7 Upperco, MD. 21155
